

Doors & Hardware Department

From simple door sweeps to hidden pivot closures, Tech-24 can repair or replace any of your Door and Hardware issues. With 25 years of experience in doors and hardware repairs, our Doors Department brings the knowledge specific to your commercial door repair needs. We routinely repair or replace all types of doors including aluminum frame, solid or hollow wood, and plate glass.

Due to your high volume of customers, your doors are one of the most used and abused part of your facility. Is your issue with the closure, panic bars or hinges? Tech-24 has the expertise to evaluate and resolve any and all of your Door and Hardware problems.

As with all of the departments at Tech-24, we respond 24 hours a day 7 days a week. When the time arrives that you are unable to secure your facility it's nice to know that help is just a phone call away.
