

FOODSERVICE TECHNOLOGIES, INC.
A CFESA Certified Company

Refrigeration Department

Is your walk-in at 60 degrees or your ice bin empty or is your evaporator coil one solid block of ice? Tech-24's Refrigeration technicians are experienced in all your restaurant specific cooling needs. Don't wait until thousand of dollars worth of product goes to waste. Place a call to Tech-24 and put your mind at ease.

We repair all types of refrigeration equipment. From Lowboys, Reach-Ins, and Display Cases to Ice Machines, Freezers and Slushy Machines Tech-24 does it all. Whether self contained or remote condensers our highly trained technicians are available 24 hours a day to troubleshoot and repair any issues that may arise from adding a small charge to extensive leak check searches. We also service Glycol systems.

All of our service team members are CFC certified and strictly adhere to all EPA requirements and standards concerning refrigerant charging, reclaiming and recycling.
